Brian F DiGiovanni, M.D.

March 10, 2015

It is with great sadness that we inform you that Dr. Sonya Stevens will be leaving Post Road Pediatrics effective July 1, 2015. Dr. Stevens has been an invaluable member of the Post Road Pediatrics family and we will miss her as she moves on to a new phase of her career. Dr. Stevens has decided to accept a position on Martha's Vineyard where she will be better able to focus on her family.

We assure you that we will make this transition as seamless as possible for all of our patients. Dr. Stevens and our team provide our patients and families with the highest quality of care and guide ongoing improvements in our office. We are committed to continuing to provide the highest level of service to you and your family.

Our team has met with several highly qualified and enthusiastic physicians who are interested in joining our practice and we anticipate making a decision very shortly. We look forward to announcing our new provider.

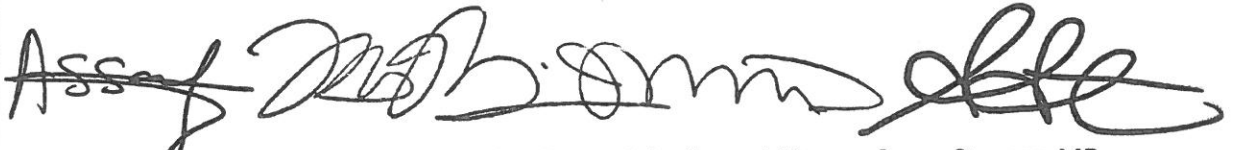

On a more personal note, Dr. Stevens has truly enjoyed being part of Post Road Pediatrics and your families care. Caring for you and your children has been her great honor and pleasure, and having watched your children grow and mature has been one of the most rewarding parts of her job.

The Post Road Pediatrics team will assist you in a smooth transition to either our new physician or one of our current providers. As always, we are available to answer any questions you may have.

We thank Dr. Stevens for her years of outstanding service to our patients and families and wish her the best of luck in her new endeavor!

Stay healthy,

The Physicians of Post Road Pediatrics, LLP
