

Post Road Pediatrics, LLP

February 2018

Dear Post Road Pediatrics Patients and Families,

We are writing to let you know about some upcoming changes to the Post Road Pediatrics team. We are sad to announce that Dr. Heather Maroney will be leaving Post Road Pediatrics. Her last day will be June 22, 2018. She has been a valuable member of our practice and we will all miss her. She and her husband, Jeff, will be moving to New York City to pursue their medical careers. Dr. Maroney has enjoyed being part of the Post Road Pediatrics team. Caring for the patients here has been an honor and watching your children grow and mature has been one of the most rewarding parts of her job.

We wish to thank Dr. Maroney for her outstanding service to our patients and families and wish her and her husband the very best of luck with their new endeavor.

On a happier note, we are very pleased to announce that Dr. Katherine Medford will be joining our team July 16, 2018. Dr. Medford is a highly qualified and enthusiastic physician who is really looking forward to building her practice and caring for our Post Road Pediatrics patients. We can't wait for you to meet her.

The Post Road Pediatrics team will assist you in a smooth transition to either Dr. Medford or one of our current providers. Rest assured, we will continue to provide the highest level of service to you and your family. We understand that change can be scary and we will do our best to ease you through it. Please do not hesitate to contact the office if you have any questions or concerns.

Sincerely,

Sana Assaf, MD

Brian DiGiovanni, MD

John Reap, MD

Heather Maroney, MD
